

Praise God from whom all blessings flow, hallelujah,
Messiah is in our midst!

Experience the presence of Christ Jesus
our King; just open your heart and let
Him enter in!

Angels sing praises to His holy name;
tongues confess Him Lord; knees bow
down in solemn worship to Him!

Christmas is Jesus, God's gift to us all, give Him due
praise; give to others His love, His hope, His mercy
and His grace that continually abounds!

Everlasting peace you receive will stay, but peace to all
nations awaits His return—pray for the peace of
Jerusalem and be ready when He returns!
